Hamptons Swim Coaching

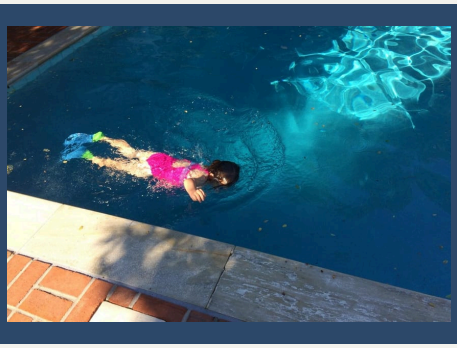

Private coaching · Summer, in the Hamptons · For families in the Hamptons

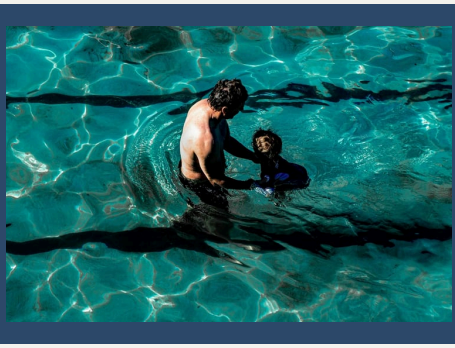

For your family, at your own pool.

Private coaching through the summer, at your own pool. Every session with Milan himself.

1

A conversation

Call, text or write. Milan asks who will be swimming, their ages, and what they can already do.

2

A first session at your pool

He watches each swimmer first, then tells you where they are and what a summer can achieve.

3

The same coach, all summer

One-hour sessions at times agreed at the start, with a parent welcome at the poolside.
